# GROUP EXERCISE CLASS DESCRIPTIONS

**Cycle (45 min - Group Fitness Room):** Saddle up on the stationary bike for a music-based workout. Riders will tackle endurance intervals, hills, and sprints, in an effort to improve lactate threshold and build cadence.

**Zumba (45 min - Group Fitness Room):** Join this high energy dance-based fitness class combining latin dance moves and music of all genres. This is an interval workout with high and low intensity moves to get your heart rate up and boost cardio endurance. No dance experience required.

**Chaos Cycle (45 min - Group Fitness Room):** Chaos Cycle, the ultimate hybrid for cardio & circuit weight training. Join us for a perfect combination of endurance and muscle building!

**Legendary Legs (45 - 60 min - Group Fitness Room):** You cannot spell LEGENDARY without LEG DAY! Join us for a 60-minute lower body circuit!

**Station Mayhem (45 - 60 min - Group Fitness Room):** Join us for a station based HIIT class where breaks are few and far between! Utilizing the upper body in various movement patterns with a new station every time!

**Power Hour (45 - 60 min - Group Fitness Room):** High intensity, low-impact strength movements with little rest in between sets. Learn perfect form on a variety of functional exercises while getting a good burn!

**Total Tone (45 - 60 min - Group Fitness Room):** full-body mat workout that blends controlled movements, core-focused strength, and mindful breathing. Expect a challenging yet accessible class designed to build lean muscle, improve balance, and leave you feeling stronger, more stable, and energized from head to toe.

**Chair Yoga (45 min - Group Fitness Room):** Leave the mats at home, because all you'll need for this yoga class is a Chair. Focusing on low impact yoga poses to help you improve balance and range of motion while easing joint discomfort.

**Vinyasa / Hatha Flow Yoga (60 min - Group Fitness Room):** Vinyasa Yoga emphasizes the sequential movement between postures guided by deliberate breath. Hatha Yoga emphasizes conscious breathing in combination with mental focus to develop awareness, strength, mobility, and relaxation.
